ARTHUR BEAL

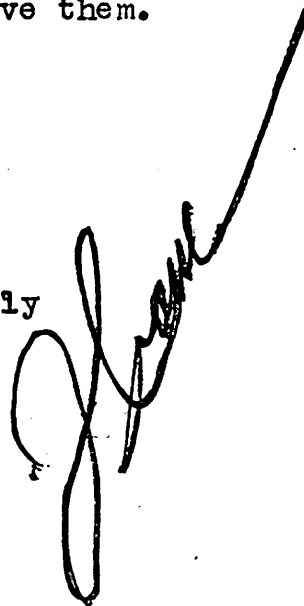

Thanks for your recent letter and as promised, I am sending you the five songs enclosed.

I shall be very glad to complete them for you and I want to say that in view of the fact you have had quite a few songs done here, the cost to you for four Piano arrangements and NOTARY SEALS, will be only \$29.

The fifth song will be done free of charge altogether.

I trust you will appreciate this and you could return the songs by return mail with the fee in full or just a deposit and I shall start on completing them as soon as I receive them.

Yours truly
