Thanks for your letter with songs.

You will have to return the original so I can make an extra copy of your song.

You could return it by return mail.

On the music to two songs , I have selected your two songs for music and shall start on them and want to say that complete cost to you for

MELODY, PIANO ARRANGEMENT and NOTARY SEAL will be only \$18.50 for the both songs and in addition, the Ukelele arrangements will be added to both songs at no cost to you.

If you cannot locate your lost song, MILKY WAY, it will have to be done over completely and the only thing I'll be able to do is ask you to return the songs and I'll write it over completely and just charge you \$6 for doing so.

Will wait to hear from you and trust you'll be able to find your lost song. You could send balance by return mail if you like as I'll soon have your songs ready.

Yours truly
