My name is CIRINO PELLEGRINO and recently, I received letter from my father Domenico CIRINO, residing at SERINO Province of Avellino, that somebody related to my father family has or had interest in some kind of National Museum or also.

For that will will you please be so kind let me know and explain what it is all about so I can give some information to my father.

In case you need any ulterior paper or any information from our side, please, be free to write and I am glad to help you out in any way.

Waiting to a gentle sign of answer, thank you very much.

Very truly.
