Dear Linda

We are in the process of updating our files on the Ave Maria Grotto, and would be very grateful for any assistance you could provide us.

Are there any recent references, sources, and/or contacts you could suggest that pertain to the current status of the Grotto? Are there any recent developments that you think would be helpful for us to know? Have any films been produced on the Grotto? Are there any similar sites in the process of being nominated to the National Register?

By the way, you may be interested to know that a Bottle House in Kaleva, Michigan has been recently listed on the National Register.

Thank you very much for your help. Seymour sends his best.

Sincerely,

Cynthia Pansing
