Dear Alan,

Enclosed is a letter I sent to the Orange Show in Houston. When you get their current mailer you will see certain parts of it that will be applicable to your activities and current budget. Ask them about relations to the neighborhood.

I've talked to a number of people in Phoenix who are thinking of starting a state wide organization to acknowledge sites like yours and "folk artists" yet to be accepted. I'm sending them my list of people, in Arizona, who might be concerned with these works. You will get a copy and will hopefully add to the list. Some organized state wide effort might open up some funding sources.

I will be rewriting you the enclosed fan letter but I have forgotten the name of that nice woman who was part of my tour and I want to include her name. Change whatever you want, I am flexible.

Thanks for the time you gave me on my short trip to Tucson.

My best.

Sincerely,

Seymour Rosen
