Dear Seymour:

How nice to hear from you. I appreciate staying in touch with S.P.A.C.E.S. and we all like the occasional newsletters. Do note my new address please -- simply send things to me here at the Missouri Cultural Heritage Center, Conley House, University of Missouri, 65211. I no longer live on College Park Drive, Columbia.

I was glad to hear about Mr. Starr Sutherland's project involving his video tapes of Jesse Howard. I don't know exactly how we could help, since our work with the subject of Jesse Howard is over. But if Sutherland would like to explore things, we might think about that. He could contact Amy Skillman, our project coordinator and main dreamer-upper of new projects.

And of course if Sutherland is in the neighborhood we would be very pleased to meet him and talk about what he's doing with Jesse Howard.

I appreciate your letter very much.

Best regards, and keep up the good work,

HOWARD WIGHT MARSHALL, Director  
& Associate Professor of Art History

Amy is from L.A. - UCLA + she worked for SPACES for a short time (Small world isn't it) She is or was the MO state folklorist.

I think a short letter to her might help - she travels around the state

I'm sure she knows about Jesse
