Dear Dan,

I'm so glad that you are interested in saving Thunder's wonderful work and that we finally got to talk.

Enclosed is a letter I sent to Blanton Owen, the Nevada State Folklorist. Both he and William Fox the Executive Director of the Nevada State Council on the Arts are both good guys who you can trust. Here is Blanton's address.

There is a lot for all of us to talk about but probably the first activity is to find someone to caretake the site and halt the vandalism.

Otherwise, some of the questions I mentioned in my letter to you in April, 1989 still need to be answered.

I will let Allie Light and Irving Saraf know what is going on. I'm sure they will be happy to know of your concern.

As mentioned in my last letter, SPACES will give whatever help we can to help you protect the site.

My best,

Seymour Rosen
Director
