Dear Friends:

This is to acquaint you with the work of SPACES, a non-profit national organization concerned with the recognition and preservation of America's folk art environments. See enclosed information sheet.

I am also enclosing a letter to the Nevada Council on the Arts mentioning an artist residing in your county:

Arthur Thunder Interstate 80
Imlay, NV 89418

He mentions having some difficulty with vandals and might well benefit from a personal visit, as well as some local recognition.

Thank you for your interest and attention in this matter.

Sincerely,

Barbara A. Bullock
