Artist Name UNK - SC Living/Dead? Exist?
Address Amherst Street
 Charleston, SC
Site Description
 info from an article in the N Y Times Magazine/Mar 12, 1989 ".....small hse on Amherst Str, near Nassau. This hse has been *adorned* - with toys, 100's of them: trucks, animals, dolls, plastic ghosts, beach balls, Mickey Mice, all hanging frm the hse itself or planted on tall sticks in the yard like a thicket. The man who did this decoration has honored his hse, made it more than a hse. His work is not so different from that of a novelist. He is on the track of something, hard to say what. He does what he can. The result is strange, maybe it surprises even him, but there it is, a wonder." NEW 1/90
