Dear Registrar

Lynda Roscoe Hartigan, Assistant Curator of Painting and Sculpture at the National Museum of American Art, suggested we contact you regarding the exhibition "Celebration: A World of Art and Ritual" which was organized by the Renwick Gallery in 1981. We hope that you will be able to fill out the enclosed Museum Exhibitions Data Sheet concerning that exhibition (and other applicable exhibitions).

I believe we sent a package concerning our Museum Exhibition Survey to your organization, but possibly that information never reached the appropriate destination. The enclosed letter should answer any questions you may have, but if you need further information, do not hesitate to contact us. We look forward to hearing from you.

Sincerely,

Elaine Wintman
Assistant Director
