Dear Susan:

Hurrah and welcome aboard as a SPACES member - book and other stuff dashing to you under seperate cover.

To answer some of your questions - our Newsletter is not timely enough for the press release information to be useful to you.

But do you know of Folk Art Finder - Florence Laffal  
Gallery Press  
117 No. Main  
Essex, CT 06426 published 5 times a year

Tell her we sent you.

PRISBREY Questions - do you know where the story is going - what can they pay for an 8 x 10 - when is it needed - what should it show re: your story?

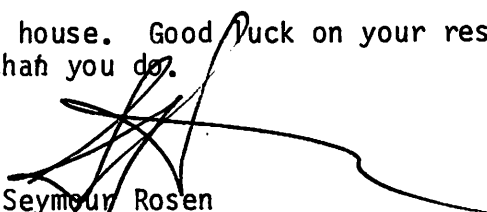

Beware - don't believe everything you read ( we can check facts for you - if you send manuscript)

The Director of the Preserve Bottle Village Committee says you can use the info from Grandma's book if you credit your source \* see BEWARE. Director = Amy Skillman. Where are you getting your Prisbrey info?

Re: letter Sep. 21, We have heard of the site you mentioned in S.C. -it is called Hodge's Kingdom. Our source also called Mr. Hodge "crabby". I haven't seen the site myself, but I did visit "South of the Border". SPACES can't buy things - but we try to help others save the sites.

Sorry to hear about the Preston house. Good luck on your research. We don't have any more information than you do.

My best,

  
Seymour Rosen  
Director
