Dear Florence, Clayton + Sandy,

Bob Kaplan sent you a letter this week which I hope explains and restates our purpose and mission.

I'm enclosing some sheets with numbers: an accounting of money that has been spent directly on the garden since we became tenants and our last 3 years of financial statements. Please note the box at the top that says NET \$. This is what we actually cleared in each year after expenses.

I would like to emphasize that the Garden doesn't "earn" this money by itself; it doesn't weed itself, promote itself or repair itself. Our group has been the primary labor force for quite some time, as well

as being personally supportive of
the Gasher family and your needs.
Because our rent is due on February 1,
1997 and our insurance policy
must be renewed the following week,
we need to know your decision by
the end of this month.

Please let us know if you have
any questions about our purpose,
mission or the current rent
agreement.

Sincerely,
