

WINDMILLS ???

Most people that come here, think the WINDMILLS are neat.
When you are tired or hurting, he would massage your feet.
If you have a hole in your stocking or tear from pain, no need for an apology.
He put to work, his degree in Reflexology.
Here is the art of a very fine man.
He could make a WINDMILL from most anything, without a plan.
Have you ever wondered who dabbed the WINDMILLS with the bright colors of paints?
His Wife! A lovely LADY, side by side, smiling, and so few complaints.
A lot of people enjoy a yard full of flowers,
This man enjoyed his yard full of WINDMILLS, he toyed with for hours.
There were many times he worked on the WINDMILLS, with very few woes.
Haven't you wished you owned one of those?
The answer to a Community project plight;
Many citizens and businessman bought a WINDMILL and donated to the sight.
GEHRKE WINDMILLS are known near and far,
National Geographics, Seattle P.I., Wenatchee World, Disney Land and the local Star.
This project I took upon myself,
With help of friends and Family, to preserve the History in making, of one little elf.
