Dear Linda:

We are in the process of updating our files on the Ave
Mania Gatto, and would be very grateful for any assistance
you could provide us.

From your letter of 1 June 1984 we understood that the
Gatto was listed in the National Register on 19 January
1984. Do you know when the nomination was approved by
the Alabama Historical Commission?

In addition, are there any recent references, sources, and/
or contacts you could suggest that pertain to the current status
of the Gatto? Are there any recent developments that
you think would be helpful for us to know?

Thank you very much for your help. Seymour sends
his best.

Sincerely,

Cynthia Pauseng
