Dear Father Francis J. Steffen:

We are glad you enjoyed our last newsletter and the story which included the Dickeyville Grotto. Here is the information you requested: the Paul and Matilda Wegner Glass Church and Peace Garden is located near Sparta outside Cataract, Wisconsin. Restoration of the site is being done by Spin City Restoration (Tom Farley, Sally Farley, Don Howlett and Lisa Stone). Don did the restoration on Fred Smith's Concrete Park in Phillips, Wisconsin; Don and Lisa were involved with restoring Ernest Hupenden's Painted forest in Valton, Wisconsin. Enclosed is an article which might be of some interest to you about the Wegner site.

We have very little information about the West Bend Grotto in Iowa which you mentioned, and no information about the Grotto in Rudolph except its location. If you can share any more information (especially names and addresses), we would really appreciate it. We will let you know what we find out.

Thank you for your letter. Happy Holidays!

My best

Seymour Rosen
Director
