Dear Suzanne Hockett

I got a letter from Richard Lapp saying you wanted to know about passim, that you saw on T.V. well we moved here after we bought Land and built all stuff here + carved all dolls with his pocket knife the dolls head + body are carved out of Redwood + their noses + hands + arms + legs + feet are made out sugar pine he had to take over the load of raising his sister + Brother + take care of his mother he sure had it rough as he just child he went into ~~the~~ carnival trying to make a living for mother + Brother + sister, that's what I got idea for many go round + pharis wheel. we written up in "Sweet Life" by couple from Amsterdam Holland + been on T.V. 3 times there + we written up in "Back road of Calif" by Carl Thorlander first got dolls in theater then one he got out got the doll called Rhoda on River about from and another call "I went to - capture American Falk, art + artist" by

Further information + the best in

The number of 215 and the program called

as their also a magazine called

newest for May 8-1978 a weekly

picture also a novel Book that

called a magazine (amended)

so maybe you can get to the

to find in your area also may

find some of them in a book

alone I got one of each book

need a fair amount of tape with

the do nothing husbands thing  
could get a such a wonderful  
reason. He also covered a man  
woman who a lot that cut part  
from the called a census of people  
from the world wide census. so if  
you up the way do not mind this is  
make of for you a friendly  
fourth. you friendly
