Dear Seymour

I am write you a few word hope
this find you well and feeling fine
first I was so straighten some
out I went hunted the letter from
woman & her husband who got the
'magazin America' and found out
that she ask me if I had picture of place
or Post Card I sent her a post card
of place Post Card of Ball & Bird shape
& bet they would only put a post
white & also I gave her cards &
they probably wouldnt print them in
Books why they want in book

I think if you tell the man of
Fibers where place is he could
come out I could show him books &
he could find where get in touch
with publisher & also tell him my
phone no in listed under California
safe call to make sure he
home as you sent me a fan letter

I will close for now
