Dear Ruby;

It was really good to see you again after all this time. My friends and I talked about you and Possum Trot all the way back. We're trying to find ways to keep Possum Trot together and get you some electricity.

As promised, I wrote those people who wrote Amazing America and asked for your picture back. I'll let you know when they reply.

I also talked to the librarian in Barstow and he is interested in having some of the books and magazines on Possum Trot, as part of their collection. Included is a list of the books I remembered you had. Please add to the list and send it back. I'll type it up and get it to him. We need the title - author - publisher and if you can find it the date. For the magazines we just need the name and date. The new book I gave you, still isn't out, but will be shortly.

Do you remember if I sent you a letter about you being in the museum exhibition in San Francisco? If not, I can send you a letter on museum stationary for your scrap book. Please let me know.

I hope it isn't too hot for you. Take care of yourself. If you need any help, or just want to talk, please call me collect. Hope to see you soon.

Your friend,

Seymour
