Hi Dennis,

It was a pleasure speaking with you last Thursday, and many thanks for sending me the links to your wonderful photos of Possum Trot. I've sent you the SPACES brochure (you may already have received it), so hopefully you have a better sense now of the range of what we collect for the archives. You'll therefore see that these photos fit exactly in with what we do!

We should talk more about how you'd like to work with SPACES in terms of including your work herein. Anything and everything you'd have on Possum Trot or other like sites we'd be thrilled to add.

All best,

Jo Farb Hernandez, Director
