Dear Mr. Rosen,

Thank you for your concern for my father, Letto. He is not in the best of health but still managed to move around his creation making minor repairs.

Last year, he became quite inactive and seemed really to age rapidly. He is still his feisty self but spends a lot of the day sleeping. He was 93 years old on February 2, 1985. If he is not as active as he had been, he has good reason.

Your efforts to get "Letto's Hub-Cap Ranch" recognized for a historic plaque is much appreciated. I completed the form you sent and included copies of articles and newspaper stories. Copies of articles in other books can be sent if you need them.

If I can be of any assistance, let me know.

The local college is the Seventh Day Adventist Pacific Union College at Angwin, about 5 miles from Pope Valley.

Again, Mr. Rosen, thank you for all that you have done to make my father somewhat famous as a folk artist. He has enjoyed the acclaim and during the most recent years, it has been his life.

Sincerely,

Emanuel N. Danont^{ed}
