

WHEN YOU SEE SOMEONE WITHOUT  
A SMILE, GIVE HIM YOURS.

Dear Jocelyn,

Thank you for all of your efforts on my father's, Litto, behalf. The best time to have an installation and dedication of the plaque at Litto's Place would be in the Fall. Hopefully, the weather will be cooler and the rush of summer over.

The last weekend of September or the first weekend of October are two that most of my family are available. October 12 is a day that my immediate family would not be able to be in attendance. All others in October seem to be open -

Again, Thank you - Your efforts and concern is much appreciated.

Sincerely,

Emanuele N. Damonte
