Dear Mr. Damonte,

I am sending you a magazine article that recently appeared about your father.

About a month ago I sent for your approval two possible versions of the text for the State Landmark plaque which is being given by the State to Hubcap Ranch. After the text is submitted to the California Office of Historic Preservation, it will take about 2 to 3 months for the plaque to be made. We are wondering if there is a special date when it would be appropriate to have the plaque installed and a little ceremony.

We hope to hear from you soon. Thank you for your help.

Sincerely,

Jocelyn Gibbs
