Dear Ted,

Thank you so much for your letter and the slides; we did get some information on Peterson's Rock Garden but I had no real sense of scale until I saw your slides. I did meet Loren Finch and have a little bit of background on him. It will be interesting to see if he added anything since I was there.

I'm glad you enjoyed the Triton show, and hope we get a chance to talk again soon. Your photos will be added to our archives, and the slides will be identified as yours.

My best,
