Mrs. Dolores Vellutini
2424 J. Street
Eureka, California

Dear Mrs. Vellutini,

A belated thank you for your help when I was in ~~Eureka~~. A lot of excitement was generated when I showed photographs of Mr. Gabriel's garden in San Francisco and Los Angeles.

How is he? I hope all is going well.

There are quite a few people interested in helping to save Gabriel's garden. I have sent information regarding the garden to people in Sacramento and am awaiting a reply from them.

Please keep me informed of any change in the status of the garden.

I hope to come back to do some additional shooting of the garden to include in the exhibit.

For your information, the date of the exhibit has been changed from July to November.

Please let me know if I can be of any help in our common goal of saving the garden.

Sincerely,

Seymour Rosen
