Dear Councilman Wachs;

Both the Ehn family and I are wondering if anything positive has transpired since our meeting at Old Trappers Lodge, November 23, 1987.

You said you would make contact with the Autry Museum and a representative of the Los Angeles Zoo as two potential sites for the relocation of the Ehn Landmark. Have you been able to do so?

If there is anything the family or SPACES can do to help you expedite this project we would be most happy to do so.

I try to avoid the word crises, but I think we are approaching one. The family is feeling an increased pressure to remove both the tenants and the sculpture from the property.

Thank you for your interest.

Sincerely,

Seymour Rosen  
Director
