Dear John,

Old Trapper's Lodge was officially named last week as a California Registered Historical Landmark #939. The State of California considers your work of art to have special importance to all the citizens of our state. Congratulations on this much deserved recognition!

If we, at SPACES, can be of any assistance to you, please let us know. We share your interest in maintaining Old Trapper's Lodge in a good condition. If you could drop us a line, we would like to know how you are and if everything is all right with your piece.

We hope this State recognition brings you an extra bit of joy. We have enclosed a sheet listing a few of the advantages you now have, with your work being named as a State Historical Landmark. Again, our warmest congratulations!

Sincerely,

Susan Alderson Hoffmann, Assistant Director
