File No. 19-C4
 Appl. No. Pending

OLA No. none

Los Angeles Community College
 617 W. Seventh St.
 Los Angeles, CA 90017

Attn: Tex Shannon

Pierce College
Construction of Log House Exhibit Bldg.

This will acknowledge receipt of the following:

(SSS)	(ACS)	
<u>XX</u>	<u>XX</u>	Application
<u> </u>	<u> </u>	Filing Fee
<u>XX</u>	<u>XX</u>	Set of Drawings
<u> </u>	<u> </u>	Set of Specifications
<u> </u>	<u> </u>	Set of Calculations
<u> </u>	<u> </u>	

Please submit the following material:

The following items are required or must be resolved before this application can be processed.
 1). A combined filing fee for SSS and ACS of \$450.00. 2). A set of Structural Calculations
 3). Three sets of specifications. 4) An amending letter listing an Architect or Structural Engr.
 licensed/registered in the State of California on lines 4 and 6 of the application. Individuals
 listed on lines 5A, 5B and 7A must be registered in the State of California in the designated
 disciplines. All individuals listed on the application as responsible for the design or observation
 of construction and the applicant cannot be a contracting party or have any employment relationship
 with any entity of a contracting party for this project. See paragraph 15, Title 21 OCR.
 5). Geological hazard report or letter. See enclosed IR 100-1.

Sincerely,

Jack H. Wakayama
 Supervising Structural Engineer
