ROOM 108 "COUNTRY GENTLEMAN"

Decorated in the style of an English Manor, this suite has a warm and cozy atmosphere. Warm your feet at the hearth of the large rock fireplace or curl up on the sofa with a good book. . . . you will in all probability feel right at home.

Since February, 1971, Adela Rogers St. Johns, the renowned Hearst reporter and author, has made her home in this suite.

This three-room suite is furnished with a king-sized bed downstairs and two twin beds upstairs.
