

Board of Trustees

Los Angeles Community College District

ACTION

NOTICED: JULY 6, 1988

Com. No. IX

Division Educational Research & Development

Date: July 20, 1988

Subject: AMEND BOARD RULE

6413. INSTRUCTIONAL MATERIAL FEES. A fee may be charged for instructional materials used by the student in the course of receiving instruction.

(Assembly Bill IXX, Chapter 1, second extraordinary session, stats. of 1984, which became operative July 1, 1984, suspends until January 1, 1988 a district's authority for levying a fee for instructional materials. On January 1, ~~1988~~, 1992, absent the enactment of new law, these fees may once again be levied.)

Rules and regulations concerning such fees shall be established by the Chancellor.

Background. In 1987, when legislative statutes were amended to continue the tuition for community colleges, deleting charges for instructional material fees was included. This extension until January 1, 1992 conforms to current legislation.
