Dear Mary,

Capidro was officially named last week as a California Registered Historical Landmark #939. The State of California considers Capidro to have special importance to all the citizens of our state. We have enclosed a sheet listing a few of the advantages you now have, with Capidro being named as a State Historical Landmark.

If we, at SPACES, can be of any assistance to you, please let us know. We share your interest in maintaining Capidro in a good condition. If you could drop us a line, we would like to know how you are and if everything is all right with Capidro.

We hope this State recognition brings you an extra bit of joy. Our warmest congratulations!

Sincerely,

Susan Alderson Hoffmann
