Dear Seymour:

This is to confirm our telephone conversation last week. I would like to have you make several presentations in the Art Department on November 3, 1987 regarding your organization and its activities, as well as talk about as many of the artists whose work you have documented as possible. We will have you first come to my sculpture seminar, which begins at 3:00 p.m., and then go from there to a small lecture room (maximum capacity about 100) where you will be the featured lecturer in our regular 5:00 p.m. Tuesday series.

Our Gallery (and lecture series) Director, Andy Ostheimer, has asked whether you have any films or videos you would like to show. If you have videos, we could arrange to show them in the hallway before or after the talk. Could you send us a copy of your resume or other promo. materials for publicity purposes?

We will provide you with a \$250.00 honorarium for the visit and ask that you cover the cost of your transportation and lodging. (The Art Department has an arrangement with a nearby Best Western Motel and can easily make a reservation for you there for the evening of the 3rd if you want.)

I will contact you again by phone several weeks ahead of time to work out last minute details. My office phone in the Art Department is (408) 277-2551 (until October 31, 1987), and my home phone is (408) 295-2646 if you need to get in touch for any reason.

I'm looking forward to seeing you.

Sincerely,

Tony May
