Mr.
KCET-TV
Sunset Blvd.
Los Angeles, CA

Dear Mr.;

It is much more difficult to write a fan letter than to write one that duns an organization.....but this will be a overdue fan letter for Huell Howser.

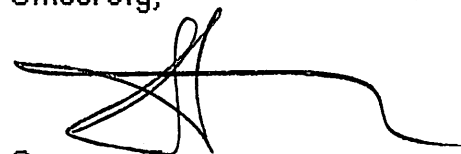

Mr. Howser has been most helpful in helping try to save California State Landmark #939, John Ehn's Old Trappers Lodge. His care, concern and support has continued after his piece for Videologue was done. A unique experience for us and ^(S).....for the family of the artist.
(SOMETHING VERY IMPORTANT)

Videologue is one of the few productions on KCET which is reflective of the community and is greatly appreciated by those of us who enjoy all the "foreign" productions but think it is most important for the station to report on what goes on in the Los Angeles area.

Considering the vitality of this place he should be encouraged to do many longer pieces telling us and the world about us. For example my mini survey says your public is much more interested in Los Angeles than yet another nature series.

More Howser.

Sincerely,

Seymour Rosen
Director
