Dear Mr. Martinez:

The Ehn family and SPACES thank you for your wonderful story on Old Trapper's Lodge. Initially, I heard about your article from people I hadn't talked to in years, all of whom were enthusiastic with what you had done. I haven't heard anything from the school board.

By the way, some of the figures you included in your article were incorrect. In the event you decide to republish the article, please verify your figures with the family.

We are still looking for a place to move the sculptures. Any ideas you have or hear of would be most appreciated.

Good luck with your endeavors.

Our best,

Seymour Rosen
Director
