Dear Ms Landry:

A month and a half ago, we talked on the phone about an artist named John Ehn and about a possible donation of his works to a responsible agency.

I followed through, with a packet of information, including a book. Since that time I called your office at least 3 times - but as of this date I ~~have had no~~ <sup>the calls have</sup> not been ~~response~~ <sup>returned</sup> from your office, nor return of the material. ~~nor was the material returned~~

Both the family of John Ehn and I would appreciate a response ~~from you~~ and a return of the material.
