Dear Ms. Farish;

Recently, Mr. James Keller of CBI Properties, Inc., spoke to me about your selling landmark no. 939, Old Trapper's Lodge, Sun Valley.

I understand the new property owners are not interested in maintaining the folk art on its original site.

As I stated to Mr. Keller over the telephone, the Ehn family does not need permission from the Office of Historic Preservation or the State Historical Resources Commission to relocate the folk art or the official landmark plaque. It would be appreciated if the folk art and the plaque could be relocated into a similar setting.

Once the move is completed, please provide this office with photographs showing the new location and the new exact address.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sandra J. Elder".
