Attn: Rosemarie Farish

Dear Rosemarie,

The estimate for the moving of the statues (13 figuers) is \$8000.00 to \$10,000.00 dollars.

As we discussed the pedestals cannot be moved intact. This will be left for your help to do.

The difference in the estimate is due to unknown factors such as; locating & releasing anchors to the bases, and distance for delivery. We have included delivery up to 50 miles.

If the statues are to be installed at the delivery site the sub bases will have to be ready to recieve the statues on delivery.

Sincerely yours,
CARNEVALE & LOHR., INC.
