Bottle Village

January 4, 1990

Dear Seymour,

To catch up at this point on Bottle Village trials and tribulations would be pretty time consuming. I will give you two news bits to start the new year! Hopefully a newsletter will go out soon that will fill the gaps.

One is that the PBVC was in limbo with the IRS for the past several months because paperwork due in early 1985 for permanent exempt status had not been filed. To make a long story short we went through income data for 1979 through 1984 and supplied the necessary paperwork. Happily we received the confirmation Friday that everything is straightened out. That means we can actively solicit donations again.

The timely news is that, "Ageless", an exhibit at the Woman's Building opens Jan. 19 (reception 6-9pm) and continues thru March 3. Some of Grandma's work will be included in this exhibit. Of course you are invited to join us in celebrating Grandma's artistic spirit. The address, phone and hours are: 1727 No. Spring St., (213) 221-6161, Weds.-Fri. 12-6pm and Sat. 10-4.

I've enclosed a copy of the PBVC Advisory Board Roster. Let me know if I've made a mistake for I will correct it and send out a corrected roster.

I've also enclosed the PBVC Board Roster in case you want to contact us.

Hope to see you at the opening, if not best wishes for the new year!

Helen Dennert, Pres. PBVC

Thank 1/29
