

M.R. Rosen -

I met you at the January 10 meeting at Bud Goldstones house about Bottle Village. I took down your ADDRESS in regards to purchasing a copy of RAW Vision #4 with the Bottle Village article in it. Also, if you have any left, I'd like to purchase a copy of In Celebration of Ourselves - Being that I'm involved in this whole Bottle Village Rebuilding, I'd really like to own these writings. If you can, would you please let me know the prices of these items?

I don't know if you've been talking to Bud, but the A-E estimate phase is now completed. And hopefully Bottle Village will get rebuilt now. Well, I hope to hear from you soon. Take Care.
