Pave The Way!

You can help Pave The Way to restore Grandma Prisbrey's Bottle Village by purchasing a hand-crafted mosaic stepping stone.

Grandma created a mosaic walkway through her village embedded with thousands of objects: tiles, costume jewelry, shells, scissors, lighters, bits of broken pottery, irons, hood ornaments, license plate frames..... her walkway is a stroll down memory lane and an artistic statement using recycled objects.

Inspired by Grandma's design, your Pave The Way contribution will create a donor walkway of hand-crafted mosaic stepping stones, on the west side of the Village. Only 900 sq. feet are available!

Your Pave The Way purchase will:

- *Become a permanent part of Bottle Village
- *Identify you as the donor
- *Visually remind others that you support the restoration efforts.
