Dear Barbara:

Well, its down to the wire but here are the materials you requested for your exhibition "A Time to Reap." Enclosed, you will find the following:

- 7 black and white 8x10 glossies
- 1 photo log of the glossies
- 7 color slides
- 1 photo log of the slides
- 1 paragraph about the Village for your catalog

The photograph of Grandma is especially charming and may be perfect for the cover of your catalog. I have sent 7 of each because I thought you would appreciate the opportunity to choose from a larger number. Please return all slides and glossies to Bottle Village when finished.

How soon do you need the piece for the exhibit? I have a "pencil collage" which is framed and has red (now faded to pink) corduroy backing. It is 17½"(width) by 21"(length). The enclosed slide of the Pencil House will give it some context. If you need anything else, please call.

It was a pleasure to spend time with you and Tracy in Louisville.. I finally made it to the Kentucky Crafts Center. What a place! Hope you are enjoying your quilted clothing.

Sincerely,

Amy E. Skillman
Director
