Dear Ms. Skillman:

As you are aware, The Monmouth County Historical Association will be exhibiting "A Time to Reap" at the Allen House in Shrewsbury, New Jersey, from December 14, 1985 through February 28, 1986. I am writing to let you know the details of our handling your loaned object(s) during this period.

We will be transporting the pieces from South Orange to Shrewsbury on Monday, December 9, 1985. From this date until the pieces are transferred to the care of the Noyes Museum, we will insure the objects with coverage identical to that which they have now at Seton Hall University.

Should you have any questions or concerns about these arrangements, please feel free to contact me. We are very excited about having "A Time to Reap" and extend our thanks to you for loaning your objects to this exhibit.

Sincerely,

Sarah Heald
Curator, Museum Collections
