Dear Ms. Johnson:

Meredith, myself and the entire staff of the San Francisco Craft and Folk Art Museum would like to thank you for your generous loan and participation in the show, NOT SO NAIVE: BAY AREA ARTISTS AND OUTSIDER ART. It was extremely well attended, reviewed (see enclosed xerox) and thoroughly enjoyed by everyone (from my 3 year old godson to inspired artists to fellow curators). Additionally, it was educational to the San Francisco Arts Community in the form of a published essay, panel discussion with contemporary artists and a wonderful evening of films on outsider artists.

Thanks again for your help and interest in bringing this show to an enthusiastic and appreciative audience.
