Dear Ms. Hoffman,

Enclosed is my renewal check for membership in SPACES. Also, I am enclosing a brochure of an exhibition which the New Orleans Museum of Art presented in 1976 on Louisiana Environmental Folk Sculptor, David Butler. I am sending this information following your request for such information.

Sincerely,

*William A. Fagaly*

Enclosures

Thanks for your renewal - and for the information on David Butler - it looks wonderful. It will be included with the exhibition bibliography. We would appreciate any attendance figures on the exhibit as well as any info on the Videotape by Chester Kasnowski (his address?), site plans, extensive documentation etc.

We would like to show the NEA that 2 million or so people have viewed this type of "environmental" art. - so they would be more prone to support this kind of exhibition.

Al, id?
