Dear Mr. Davis:

A copy of your letter of October 27, 1964, written on behalf of Arthur Beal, and a copy of Mr. Richard M. Balsigner's January 7, 1965 letter to you have been received in this office.

We are unable to find any record of Arthur Beal or Beale in our files. However, we are asking our Hoopa Area Field Office to also check their records. Because of the present situation in that area (Hoopa and Happy Camp), it may be a little time before we receive a reply. In the meantime, if Mr. Beal could furnish us with any other information he may have, such as names of his parents, brothers and sisters, and aunts and uncles, if any, it might be helpful in identifying Mr. Beal from the records.

Sincerely yours,

Ten Broeck Williamson  
Area Tribal Operations Officer
