Dear ol' Philosopher!!

How's everything at Cambria.

But your Castle At Morro Gulch  
is still "Growing" - we have  
been in the Islands a year and  
a half now and it has been  
wonderful for my health except  
for the terrific growth in  
population here. The Girls are  
beautiful - spending most of

their spare time dancing and  
surfing - Seven more weeks  
of school then summer vacation  
again. Had a bad Hernia operation  
but pulled out of it QIC.

How about a nice long letter  
at your leisure - will send

Some pictures when we take  
some more. We are at Kaimuki  
next to Diamondhead and can  
walk to Waikiki - I'm at Leshi  
Hospital on Diamondhead.

Aloha Jim Rehy

Mavis sends her regards
