Dear Jennie,

Thank you for sending the Local Historic Resources Survey Manual and the xerox of the National Register of Historic Places Inventory nomination form for the Garden of Eden. We need confirmation of birth and death dates through a xerox of an official form or an official source we can quote. The nomination papers only state that Dinsmoor was born in Ohio in 1843 and died in 1932; can you get us a copy of his death certificate and/or his obituary?

Thank you in advance for your help.

My best,

Seymour Rosen
Director
