Dear John,

Thank you so much for the information you sent us on your purchase of the Garden of Eden. We will try to use as much of it as we can in our newsletter.

When you have the postcards for sale let us know if you will be selling them by mail, I think our members would be interested.

A number of years ago we attempted to get a copy of Dinsmoors' Death Certificate, since we had read some contradictory information about him. It seems that in Kansas they are not allowed to give such information to people outside the family. Why? We never found out. We were never able to reach a family member.

Regardless, it would seem to be an important document that might contain new information. I assume you are in contact with Dinsmoors' family and suggest that it might be worth the effort to try and get the Certificate for your archives.

I hope this finds you well.....if we can be of any help to you please let us know.

Our best,

Seymour Rosen
Director
