SUBJECT: PHOTOS & GOODBYE

MESSAGE Am leaving in two hours for the airport, but wanted to get these to you before I left. My friends, John & Astrid Furnival, from Stroud in England who have a country house in France, took these photos of another "space" in France-- and they are now in Roswell, NM under the auspices of the Roswell Foundation, and they came to my party.

If you wanted to know more about these photos, write them at Box 244, Route 1, Roswell, NM 88201 and tell them I gave you the photos.
