Dear Mr. Rosen,

Here are the Walker Rock Garden certificates you requested from Nancy Worden. She asked if I would do the paragraph to be submitted to the various magazines for which you write, so its also included. If you think the prose is too hammy, (who is this aimed at? what degree of ham is appropriate?) feel free to do whatever you like to clean it up. Likewise as to the length.

Sincerely,

A handwritten signature in cursive script that reads "Ruby Smale". The letters are fluid and connected, with a prominent "R" and "S".
