Dear Seymour Rosen,

I have enjoyed your W/S 1987 "SPACES" Newsletter. I was particularly interested in your report of the Cincinnati Symposium. I have been familiar with the name of Herbert Hemphill Jr. for about ten years. I keep coming across recognition for his collected pieces in many folk art books. I would very much like to correspond with him. Do you have his address? Do you think I could possibly get his address from you, if you have it?

I have been doing a lot of "whittling" in the last three years. I had an exhibit in W. Berlin Dec. 1985. I am included in the "Yolanda" Folk Art Gallery in Chicago now.

I am enclosing a stamped envelope for you to use as you see fit - to answer me or to send this letter on to Mr. Hemphill - or to use anyway you like.

Many thanks,

*Vic*
